

# PERSONNEL / PAYROLL INTERFACE WORKAROUND

**CPMS CONTROL NUMBER:** 03-0005

<b>ISSUE DATE:</b> 31-Jan-03	<b>PR/DAR NO:</b>

**PROBLEM :**            **PERSONNEL**             **PAYROLL**

Title 5 Physicians and Dentists are allowed Physician's Comparability Allowance (PCA). Current DCPS edits allow only Doctors to receive these payments.

When Personnel sends a transaction such as a pay adjustment for a Dentist entitled to Physician's Comparability Allowance, DCPS changes the Employee Type code to "R". Because the Employee Type code is other than "D", the PCA entitlement is autodeleted and a reverse interface file is sent to personnel alerting them to the change in the employee's PCA entitlement.

**WORKAROUND:**        **PERSONNEL**         **PAYROLL**

**PERSONNEL:** Notify the payroll office of the erroneous reverse interface file. You will also need to restart the PCA entitlement effective one day after the erroneous termination.

**PAYROLL:** Change the EMPLOYEE TYPE CODE to "D" through Employee Update. Once the Employee Type Code is changed, enter the Physician's Comparability Allowance.
